Public Notice

What: Kansas Technical Committee
(KTC) Meeting

When: Thursday, September 14, 2006,
10 a.m. to Noon

Where: Natural Resources
Conservation Service (NRCS)
Conference Center, 747 S.
Duvall, Salina, KS

The KTC will discuss Agricultural Secretary Mike Johanns' direction that state conservationists work with producers and their state technical committee to focus a portion of the Fiscal Year 2007 conservation program funds on conservation practices related to drought response and mitigation.

Please send any other agenda items to Troy J. Munsch, NRCS Assistant State Conservationist, by Friday, September 8, 2006, 785-823-4580, or e-mail troy.munsch@ks.usda.gov.

This meeting will also be available through a teleconference call. If you plan to attend by teleconference, please contact Rosie Collins at 785-823-4566, no later than September 8, 2006, for the call-in number information or any other special needs. NRCS is an equal opportunity employer and provider.
